

FRUITPORT TOWNSHIP PARKS & RECREATION

5865 Airline Road

Fruitport, MI 49415

231-865-3151

Minutes of the July 28rd, 2015 meeting.

Present: Melanie Lyonnais (commissioner), Karen Johnson (commissioner), Ross Spyke (commissioner) and Chris Belasco (commissioner).

Absent: Chad Parker (commissioner). Ken Hulka (director),

Guests: John Hulka

The meeting was called to order at 6:03 PM.

The rec plan was briefly discussed. It's needs to be updated with correct commissions. Suggested to review for next meeting.

We were approached thru email by the Fruitport Youth Club to have a softball tournament with beer. Our concerns were:

1. No one from the Youth Club was present to answer any questions.
2. Who would carry the liability for serving someone underage?
3. Who would carry the liability for injuries?
4. Where would the beer tent be located?
5. Expected attendance?
6. Would there be enough parking?
7. How long would the beer tent be open?
8. Would there be music?
9. What are they raising funds for?

It was decided with the lack of details to not approve.

Park Report from John Hulka:

Weed Killer was just put on all the fields.

Status of part time workers-Brandon will most likely be done when school starts. (Football team.) Matt needs to give John his school schedule so John can schedule fall work.

They have been slow on cutting/mowing because of the heat.

Trying to replace bleacher boards, but have been having battery problems w/drills and saws.

Pine Park – there are dead trees by the tennis court and shingles were stolen from the dugouts.

Soccer Park – Parking lot lines have been painted.

Farr Park – Backstops have been painted.

Matt needs to work about 10 hours per week and John should be ok.

Discussion of Rec Plan started with the Board to mark up their copies with changes and bring back to the next meeting.

Meeting adjourned at 7:17PM.
